## THEY'RE SUCKERS FOR STACKED SELF SUCKERS

Dear *Voluptuous*,

I picked up my copy of the Dec. '09 issue of V-mag and casually flipped through it and I almost passed out when I saw the picture on page 56 of Camelia Davis with her big tit in her mouth, sucking on it, hands-free! It took me back to the days of Autumn Jade, another one of my favorites and a V-Girl who could suck her own nipples, too. I love when girls do this and I

don't think we see enough of it. Please give us more self-suckers! They are so damn hot!—I.R., Miami, Florida

Dear *Voluptuous*,

First off, let me thank you for printing the picture of Camelia Davis on page 56 of the Dec. '09 *Voluptuous*. It is a perfect picture of my favorite thing: Girls self-sucking.

You printed another reader's letter a few months back about wanting more self-sucking, and I wanted to add my support to that viewpoint. I find it the most erotic thing a big-breasted woman can do, and always love seeing such pictures. What surprises me is that, over the years and seeing many big-breast models in many publications, such

images are so rare. I realize that women's anatomy might make it difficult or impossible for them to actually suck their own nipples, no matter how large the breasts might be, but I think many models are capable of this

**V-Girl sensation Renee Ross licks her nipples, but can she suck them, too?**

and could do a good honest suck instead of just licking their nipples.

For example, the picture of Renee Ross on page 35, bottom right. It appears that she could be fastening her lips around that nipple and sucking hard, instead of just touching it with only her tongue.

Please ask your photographers to have each model try their best to show us a good solid suck, and run such photos in your pictorials. A hands-free sucking, like Camelia, is great, but it's also fine to have the model grasp her breast with one or both hands to bring her nipple up to her face.

Related to that is showing women sucking each other. The ideal is the photos on the bottom of page 12, with Gianna Rossi suckling Tera Cox hard, with her cheeks hollowed and clutching the breast firmly and lifting it to her face. Panther suckling Sabina Leigh in the other shot is also fine. All too often, we see scenes like the larger photo above those two, where two girls have their mouths and tongues near Panther's nipples, but are NOT actually suckling. (One is licking a nipple, but the other is just waving her tongue close to but not touching the nipple. That latter is

**Camelia Davis shows off her self-sucking skills by taking her whole areola in her mouth!**

One reader claims to have stuffed Lola's box with his package! What a lucky man.

something I've seen in many girl-girl pictorials over the decades, and it is always disappointing. Nipples need to be sucked and just having a mouth close to one isn't good enough. In videos, where everyone is moving, that should be a preliminary to a good solid suck, but still photos should be taken during the actual sucking action.)

As a side question, how is Gianna Rossi's first name pronounced? I've

wondered if it is just simply "Geena", or if it is "Gee-anna".

Thanks for continuing to provide your readership with such fine views of such wonderful, busty women.

—W.M., via the Internet

*Dear W.W.: Thanks for the letter and the suggestions. We always appreciate it when long-time fans write in and tell us what they want to see. As for Gianna Rossi, it's pronounced "Gee-anna."*

## KISSING AND TELLING?

Dear *Voluptuous*,

It finally came true. The wish I've had since I've been reading *Voluptuous* and *SCORE*. I finally got it on with a girl from your pages. I'd made it with chicks who could have been in V-mag, but to soak the sheets with one who has is a whole new ballgame. I had a long get together with dusky XXX stacker Lola Lane. For over two hours we turned each other every which way. I know you guys haven't featured her for a while, but she's still a V-Girl and always been one of my favorites. I love those dark dolls you keep discovering. She was like the way she is in her videos in some ways, and in other ways she was completely different. Those F-cup jugs wrapped around my member is something I'll never forget. Now, I'll be on the prowl for a *SCORE* girl.—G.H., Los Angeles, California

## About this month's cover:

When we sat down to plan this month's issue out, we knew that we wanted to feature our newest V-Mag exclusive, Renee Ross. What we didn't know was how we were going to choose between the two photosets we had in front of us. One was an incredible layout of Renee sitting at a piano with her thighs spread wide, showing off her glorious, pink pussy and stuffing it full with a big toy. The other one was of Renee in a red dress and boy did she look AMAZING. That red dress was so hot that we couldn't choose. So, after much debate, we decided to give you Renee at the piano, but because that red dress was so incredible, we did something we NEVER do...we decided to put it on the cover. That's right. We chose a cover that had nothing to do with the layout on the inside of the book...but we had to show you how amazing Renee is in red! (You can thank us later!) And yes, we will feature Renee's red-dress pictorial in an upcoming issue, so keep an eye out for it.—Maria Guerrero, *Voluptuous* editor

Michelle May dazzled readers with her beauty, bust and brains. She's a perfect 10!

## MAMMARY MARVEL: MICHELLE MAY

Dear *Voluptuous*,

Where did Michelle May come from? She is by far one of the hottest models you have featured in the magazine in years! She is now my favorite and I can't stop looking at her layout. When can I see more of this beautiful woman? I can't wait until her next appearance in V-mag. I had to get a few extra copies of her debut in the Nov. '09 issue just to get by!—H.S., Durham, North Carolina

Dear *Voluptuous*,

Congratulations on your amazing find in model Michelle May. I caught her "Coming Soon" photo on the back cover of the Oct. '09 issue and I was instantly smitten. Then when I saw her layout in the magazine I couldn't believe how perfect she is. Not only does she have a great face, but she also has such an amazing rack. She reminds me of a secretary type from the show *Mad Men*. If Michelle worked in my office, I would have boners every day.

I will admit to being even more attracted to her after reading her interview and getting to see how smart and well-spoken she is. And she loves everything I do; cars, sports and read-

Dear *Voluptuous*,

Thanks for publishing my e-mail in the latest mag. I must say that this latest issue is one of your best. There are lots of fantastic layouts with some beautiful girls and women. I especially like the photos of Michelle May and Ashley. The hardcore set with Dixie

Devereaux was also very good.

And as far as the ass versus tits debate goes you seem to have got it right. Good job!

I am also glad to see Samantha 38G back in *Voluptuous* in an excellent set of photos. The set you guys used in this mag was much better than the recent one in *XL Girls*. Thanks

## MORE SCARLETT ROUGE!

Dear *Voluptuous*,

Scarlett Rouge is so fucking fine! I was so glad to find her in the Nov. '09 issue and get to see her sexy body and beautiful tits. I am a guy who likes thick and chubby girls and she is exactly my type. I am really into her pudgy belly and like the tattoo of the key on her navel. I also like that she is very athletic and likes to play rough sports. Women who play sports are the best! It makes me think that she would love to have wild, rough sex in the bedroom. That's a plus in my book! Where can I see this gorgeous blond? Does she have any DVDs out? —S.B., Ellicott City, Maryland

Dear *Voluptuous*,

I used to always laugh to myself when I read letters from readers who would talk about models and say how they fell in love when they saw a certain girl. I used to think to myself, how could this guy possibly freak out like that over a chick in a magazine? I mean, I liked the girls, and I liked to jack off to them, but love at first sight? Puh-lease!

But now, I am a cynic no longer. In fact, I want to formally apologize to those guys because that's exactly how I felt about Scarlett Rouge when I saw her in the Nov. '09 issue. Not only is she beautiful and young, but also so straightforward and frank about her sexuality that it is a big turn-on for me. I love assertive women like that and Scarlett is one assertive woman. I would love to spend hours pleasing her and making her cum. I know she said she has a girlfriend, but I don't think I would mind if her girlfriend wanted to join in on a threesome as long as I got to have some serious, one-on-one sexy-time with the marvelous Scarlett.

So, I just want to put it out there that when I first laid eyes on Scarlett Rouge, I fell in love with her. It happened. If you can, please bring her back so I can love again!—F.D., Lowell, Massachusetts

**V-MAG  
DEBUT**

**RED  
HOT  
RACK**

Interview by **Maria Guerrero**

**W**e recently sat down with a brand-new find from Ohio, a lovely girl named Destiny Rose. Now, while we meet newcomers all the time, Destiny might possibly be our favorite. Why? Because this cutie from the cornfields was so damn charming. She could have charmed the pants right off of us. (We are sure she could charm the pants right off of you.) With her pretty face and full DDD tits, she is the perfect package. And she

*has just that right combination of sass and sweetness that makes you want to be all over her in a heartbeat. Read on to get to know Destiny. We are sure she is soon to be your fave, too!*

**V-MAG:** Welcome to V-mag, Destiny. Before we even say anything else, we want to tell you that we love redheads. We are suckers for redheads. And you are a ginger with quite a wonderful rack! Tell us, what size are your boobs, Destiny?

**DESTINY:** Thanks. I am a natural redhead and my natural boobs are a 38DDD.

**V-MAG:** That's an impressive size for someone who is your height. You're petite. How tall are you, redheaded cutie?

**DESTINY:** [Laughs.] I am 5'4". I wish I were a little bit taller, so I wear a lot of heels.

**V-MAG:** Now, do you have trouble finding bras where you live? And while you are at it, how about you tell us where you live?

**DESTINY:** Well, I am from a small town in Ohio and yes, I have a lot of trouble finding bras. I used to think it was just in Ohio that getting good bras was hard, but then I came to Miami and went bra shopping and had the same trouble getting my size. I guess it's tough for big-boobed chicks everywhere.

**V-MAG:** Maybe that's a sign that you should run around topless and braless all the time.

**DESTINY:** [Laughs.] Maybe it is.

**Destiny Rose**

**Birthday:** August 22, 1985

**Age:** 24 **Height:** 5'4"

**Weight:** 155 lbs. **Bra:** 36DDD

**Measurements:** 42-32-38

**Lives:** Niles, Ohio

**Hobbies:** Hiking, fishing,  
camping and swimming.

**Occupation:** Exotic dancer

**V-MAG:** So when you are in Ohio, where does one go to find a good, cute bra when you have those big, DDD-cup boobies?

**DESTINY:** Um, I usually go to Dillards to shop.

**V-MAG:** Can you find the sizes you need there or do you wear bras that are just slightly smaller?

**DESTINY:**

[Laughs.] I can't believe that you know about that! I guess since you have big boobs, too, you know how it is. Sometimes I have to buy smaller bras and it gives me more cleavage, but the bras rip a lot faster and fall apart.

**V-MAG:** And what kind of bras do you like to wear?

**DESTINY:** I like push-up bras because I like the way they give me a lot of cleavage. I like showing some cleavage. I think that is sexy.

**V-MAG:** Do you find a lot of sexy bras in your size that push your tits up?

**DESTINY:** I can if I look long enough.

**V-MAG:** And do you sleep in a bra?

**DESTINY:** Oh, not at all. I like to sleep completely naked.

**V-MAG:** We are into that. So, in our notes it says that you were born and raised in Ohio.

**DESTINY:** That's right. Lived there my whole life. It's home, I like it.

**V-MAG:** What is Ohio like?

**DESTINY:** Lots of cornfields. [Laughs.]

**"I like showing  
cleavage.  
It's very sexy."**

Just lots and lots of cornfields. All over the place. That's about it. There is not much to say about Ohio that's exciting or cool like here in Miami. You guys live in a really cool place.

**V-MAG:** Come on! Surely there is more to Ohio than just cornfields. There has to be something redeeming, some fun and amazing stuff to do in Ohio.

**DESTINY:** Well there is a lot to do outdoors. You can go fishing, swimming, hiking and camping. We have a lot of lakes and we have a lot of wide, open spaces for people to set up their tents and campsites.

**V-MAG:** Okay, so Ohio is where you go for outdoor fun. Are you an outdoorsy kind of girl, Destiny?

**DESTINY:** Yes, I love being outdoors. I love hiking and swimming in lakes. It's fun. I don't mind getting dirty.

**V-MAG:** And what about for fun at night? Do you go out dancing and to clubs? Surely there are clubs in Ohio. Maybe hidden in the cornfields? [Laughs.]

**DESTINY:** [Laughs.] Well, I am a dancer in Ohio.

**V-MAG:** Ah, not just a girl that goes out and goes dancing right? You are one of our favorite kind of dancers...a stripper, right?

**DESTINY:** [Laughs.] Yes, ma'am. So I dance a lot.

**V-MAG:** And what kind of naked dancing do you do?

**DESTINY:** It's kind of like Coyote Ugly because we dance on the bar. It's topless on the bar and we get naked when we do dances.

**V-MAG:** Naked friction dances are the best!

**DESTINY:** [Laughs.] Yeah, they are a lot of fun.

**V-MAG:** Okay, so down here in Miami the strip clubs are a little crazy. There are a lot

nipples hard,  
Papi!"**

Meet Lanea Love, a 24-year-old from Georgia who likes to get manicures and pedicures, go out to dinner and get tied up and completely dominated. Yeah, she is one of those ladies. The kind who wants to do nice things in public and all sorts of nasty things...in public? "I want to have sex on the balcony of a nice hotel where everyone can watch me getting fucked!"

And what else does this smokin' hot mamacita like to do besides fuck where everyone can see her? She loves to have her nipples played with. "I get off quickly if a man is playing with my titties and pulling and teasing," she tells us while rolling her puckered, dark dugs between her fingers. "I like it really soft at first, like feather-light touching. Then I want a hot, wet mouth on my nipple, sucking harder and harder so I can cum!"

## Lanea Love

**Birthday:** December 12, 1985

**Age:** 24 **Height:** 5'2"

**Weight:** 129 lbs. **Bra:** 34E

**Measurements:** 40-30-38

**Lives:** Atlanta, Georgia

**Hobbies:** Watching sports and getting her nails done.

**Occupation:** Adult Entertainer

But nipple-play is not the only thing that floats Lanea's boat. You need to know how to fuck her just the right way. "I think that a man who wants to get a woman off, needs to be in total control and fuck her like he owns her. That may sound sexist, but that's the way I like it. I want the man who fucks me to bend me over and stick it in me nice and deep. He can lean over me and grab my tits from behind and whisper nasty things to me about how only he is going to make me cum like this and how he owns this pussy he is pounding. That makes me orgasm so hard!"

## Everyday musings by a big-tit connoisseur

By Dave Rosenbaum

### The hard (and soft) reality of big-girl reality TV shows

Reality television has been on my mind a lot recently. I know, there's something very wrong with that. I should have better things to do with my time. But the thing is, big girls have suddenly become a major focus of reality TV. This past season saw the debuts of *Dance Your Ass Off* and *More To Love*, joining the big-girlphobic *The Biggest Loser*. Now, before I start rambling, a few comments about these shows:

1. How is it possible that the casting departments of these shows managed to find so many big girls with small tits? I mean, with most girls, when they gain weight, a lot

of it goes to their chests. But on these shows, very few of the women are stacked (I'll get to one of the ones who is in a moment). Most of the women on these shows are just big blobs with no tits and very unshapely asses. It's as if the casting departments of these shows are trying to send a message about what a big girl looks like. And for this, the networks should be boycotted. Yeah, I just called for a network boycott. Quote me on that.

2. With the exception of *More To Love*, all of these shows send the message that being a big girl is bad. Of course, as every V-Man knows, being a big girl is definitely not bad. Is there anybody out there in V-Land who has any problem with Renee Ross, Sapphire, Maria Moore, Samantha, etc.? No, I didn't think so. I don't either, buddy.

3. As for *More To Love*, rather than finding a really desirable, rich, intelligent guy for the big girls to fall in love with, the show gave them a loser named Luke, who will from here on be referred to as Luke the Loser. Hi Luke, you're a total loser!

Which brings me to my main point. On the final show, Luke had to choose between big-titted Malissa (whose tits he clearly wanted to fuck, judging by the way he was eyeing them all the time) and nice girl Tali (who had a nice rack but nothing compared to Malissa's. Not even close.)

Of course, Luke made the classic reality dating show mistake: He went with his heart rather than his dick. He went with the girl he thought he was in love with (Tali) rather than the girl he knew he wanted to tit-fuck like a beast.

Or, to put it another way, he chose the long shot (a long, happy life with Tali) over the sure thing (a night or two of tit-fucking Malissa).

Which version of Maria Verbeck would steal your heart: Busty or Tiny?

### Boobs That Blog!

Last time I blogged, I mentioned the new "SCORELAND Blog" that's now online (go to [blog.scoreland.com](http://blog.scoreland.com)). Well, you might like to know that since the blog went live, it has become a bit of a hangout for many popular V-Girls, including Renee Ross, Samantha 38G, Veronica Vaughn, Sienna Hills and Angela White. They've all become regular commenters (especially Renee, Samantha and Sienna).

Now, I'm not guaranteeing that they'll be there when you go there (because we're not paying them to be there). But they might be. And it's a chance to e-gab with some of the girls.

By the way, the blog is free, so why not stop by today?

### WHO'S NO. 1?

If you're reading this before January 2, 2010, you should check out the "Top 100 of the Decade" special going on now at [Scoreland.com](http://Scoreland.com). Members are voting on the top girls who debuted in *SCORE* and *Voluptuous* over the past 10 years. There might still be time for you to log-on and vote for your favorite girl.

As I'm writing this, I have no idea who's going to win, but I'm figuring that Karina Hart, Christy Marks and Nicole Peters are going to be in the running for the top five spots. Me? I'm voting for Janet Jade, who's not only my favorite V-Girl of the decade but my favorite V-Girl of all time.

Listen, I understand that 99.9999% of you guys will never go on a TV reality show. But listen to me for a minute: If you do, don't make your picks based on love. Make your picks based on the girl you want to fuck. Because nobody finds lasting love on a reality show.

Oh, and one more thing: Malissa. If you're out there, you must come to V-Mag. You must become a V-Girl. You're perfect for us (you're pretty and have big, natural tits) and we're perfect for you (we love pretty girls with big, natural tits).

The contact information is below. Or just stop by the office one day (We are located in Miami.) and we'll go for a very long lunch.

### **Girls you marry and girls you jack to. Should there be a difference?**

Recently, we received a letter from a reader name S.W. who said, "I often watch and jack to your movies and wish the girls would do the following: Say 'My big boobs,' 'Big tits,' 'Big fucking tits,' 'Big knockers' and 'Big jugs' more and more! I love it when the girls talk dirty about how big their tits are and say these things! But say the things in a sexy, dirty way, raising their voices, too. Oh, and get them to use the F-word all the time. I love the F-word. It adds to the sheer pleasure of it all."

I'm in total agreement with S.W. on this. I love when the girls talk dirty. I also love when they dress up like sluts and act like there's nothing they want more than cock...my cock.

But not everybody agrees with me and S.W. There's that other portion of V-

Men. I'll call them the "prepare to fall in love" portion. They don't want the V-Girls to act like sluts. They don't want them to talk dirty. Some of them don't even want to see the girls fuck. They have a fantasy that one day, a V-Girl will be their girlfriend or wife. And I don't begrudge them their nice-girl fantasy. Besides, someone is going to date or marry these girls one day, so why shouldn't it be you, right?

Now, I know that last time I blogged,

I wrote that I had no desire to see Kerry Marie fuck. But that had nothing to do with any desire on my part to marry Kerry Marie. Like I said, I can jack to her just fine without her sucking or fucking cock. That's not what it's about in her case. I guess. I mean, do I really know what the fuck I'm talking about when my cock starts overriding my mind?

But I guess a part of me doesn't understand why the girl you marry or

**Renee Ross**

When Renee Ross, a busty nurse from Virginia, debuted in the Oct. '09 issue, readers went wild for her curvy body and enormous J-cup tits. Then, she let it all hang out in the Dec. '09 issue in a tell-all interview where she revealed how she

liked her tits played with. Now, she is going to tell you how she wants you to touch her pussy. Because she wants you to touch it really bad! "I masturbate all the time thinking about all of my fans' hard cocks!"

"I like it when guys pay a lot of attention to my tits, but I also love to get head. I need a guy who likes to eat my pussy really good. He has to spread me open, lick and suck on my clit and get me worked up. If he can do that, I am going to suck his cock and let him tit fuck me until he is ready to cum all over my J-cups!"

And boy does she like it when you cum on her tits! "I am a nurse, so I am a professional, and my professional opinion is that cum is really good for you," she says with a smile. "It's good for the skin and for the body. Cum keeps my tits feeling soft and I love to play with it and rub it into my boobs when a guy cums on me. I don't mind if he wants to cum on my ass or my face, but my favorite place is on my tits. It just feels really good."

**Haydee Rodriguez**

For Haydee Rodriguez, a feisty Latina from Texas, doing XXX on film is her ultimate fantasy cum true. Especially because she likes to watch herself fuck on film while she is fucking in real life! "I am shy sometimes, so guys will

date me and think that I am a quiet, nice girl. Being able to whip out my pornos and play them for the men I fuck makes me really horny. It takes them by surprise and makes them even harder when we are about to have sex!"

And what was her favorite thing about starring in her latest film, *Sex In The Titties*? Working with so many other busty beauties, of course. "It was hot to see so many pretty pussies and big tits everywhere I turned. I love my tits and I enjoy women who are built like me, also. Now I can add a kinky six-girl orgy to my list of fulfilled fantasies."

And although she may come across as shy, Haydee is a real wild child when it comes to getting her pussy stuffed with cock. "I don't understand why some women just lay there. I think you have to be an active participant and get wild and just let yourself go and be free. The more open and active you are during sex, the better it is. Use what you have and it will heighten the experience. That's why I like to use my big tits a lot during sex. I can make a man cum really hard when I fuck him with my titties."

of wild things that happen down here in our neck of the woods. Does it get that way over in Ohio, too?

**DESTINY:** Definitely not.

**V-MAG:** Why do you say that, Destiny? Have you been to one down here?

**DESTINY:** It's funny you should ask that because I actually went to the Pink Pony last night here in Miami. I loved it. I went by myself and they actually kicked me out! [Laughs.]

**V-MAG:** Wait, what? Why did they kick you out? What bad things did you do?

**DESTINY:** [Laughs.] Well, I actually wanted to go and check it out and I was hungry, so I wanted to get a cheeseburger. But they have a rule that you can't go in without a male escort and I didn't have one. I smiled at the bouncer and he let me in anyway. So I went in alone. And I ate my food and then I was checking out the girls and then they kicked me out!

**V-MAG:** Why? That seems unfair!

**DESTINY:** [Laughs.] I think it had to do with the fact that the girls there didn't have big boobs like I do and all the guys were checking out my tits. I guess I was taking attention away from the dancers, so they told me to leave. I understood. I wasn't mad.

**V-MAG:** Well, if we were at the strip club and we saw you getting kicked out all alone, we would have left and tried to pick you up outside.

**DESTINY:** [Laughs.] That is exactly what happened to me that night!

**V-MAG:** Hey, I guess we boob-lovers all think the same way.

**DESTINY:** Yeah, I think you all do.

**V-MAG:** So, at what age did you start growing your DDD's?

**DESTINY:** I think it was at the beginning of eighth grade. I used to get made fun of because of them.

**V-MAG:** How old were you then?

**DESTINY:** I'm gonna say I was about 14. I think I had just turned 14.

**V-MAG:** You're 14, you're a pretty red-head; you start getting big boobs and people made fun of you? We don't believe it. Who would make fun of a chick with big boobs?

**DESTINY:** Pretty much all my classmates and mostly all the guys.

**V-MAG:** The guys? Why would the guys make fun of your boobs?

**DESTINY:** I don't know, but they did.

**V-MAG:** Well, apparently then some-

one needs to go to Ohio and set those guys straight. They need to be taught that boobs are a miracle and need to be spoken of in reverence!

**DESTINY:** [Laughs.] I think that would be great. I would love to watch that.

**V-MAG:** So what kind of things would they say to you, Destiny?

**DESTINY:** Well, they would all call me names and mock me. It was petty but that's how kids at that age act. They said things to me like big-boobied ho and they called me Tits McGee.

**V-MAG:** [Laughs.] We had a girl in the magazine not long ago, her name is Michelle May and they used to tease her and call her Tits McGee, too, so you are not alone, hon. Didn't anyone else have big boobs when you were that age? Surely you weren't the only one with big tits in Ohio?

**DESTINY:** Well, there weren't that many when I was growing up, I'll tell you that. It was just me.

**V-MAG:** Okay, so there are no big tits hidden in the cornfields, either.

**DESTINY:** [Laughs.] Well, I live in the city, but out in the country, in the farmlands, I am sure you can find big-boobied girls out there.

**V-MAG:** The corn-fed girls, right?

**DESTINY:** Exactly. Country girls.

**V-MAG:** Maybe there ARE tits hidden in the cornfields after all! [Laughs.]

**DESTINY:** Maybe there are.

**V-MAG:** Okay, so you are 14 and these kids are making fun of you. How big are your boobs at that point?

**DESTINY:** I think I might have been a C-cup at that point in time.

**V-MAG:** And when did your boobs go to DDD-cups?

**DESTINY:** Probably around my freshman year of high school.

**V-MAG:** Did you play any sports or anything like that?

**DESTINY:** Um, not really. I was more of your average teen geek in high school.

**V-MAG:** What do you mean by that?

**DESTINY:** I wore glasses and I dressed funny. [Laughs.] I was a choir geek.

**V-MAG:** Aw, you sang? How cute. Did the boys like your singing?

**DESTINY:** [Laughs.] Oh, I struck out a lot with boys in high school. I dated a lot of older men in high school. Older guys like in their 20s. They liked me.

**V-MAG:** So how does this shy, weird choir geek go from being awkward to being a dancer and then a model?

**DESTINY:** It just kind of happened.

**V-MAG:** And when did you start danc-

ing? When you finished high school?

**DESTINY:** Yeah I started at 19.

**V-MAG:** You see a lot of guys come and go when you are dancing. What kinds of guys come and see you?

**DESTINY:** [Laughs.] Well, my club is off the highway so I get a lot of truck drivers who stop in for a bite to eat. On the weekends it's a younger crowd. It's fun; I like dancing on the weekends.

**V-MAG:** And do you do any special tricks when you dance?

**DESTINY:** Well, I like to suck on my tit and hold my boob in my mouth when I am dancing on the bar.

**V-MAG:** You are a self-sucker? How long can you do that for?

**DESTINY:** I can go for a whole song. Like three minutes sometimes.

**V-MAG:** That's impressive.

**DESTINY:** I like to squeeze my tits together and lick both my nipples at the same time. It feels good. I am sure that if I tried, I could probably stick both my nipples in my mouth at the same time and suck them and hold them there for a while.

**V-MAG:** So besides dancing and sucking your own nipples, what do you do for fun when you are out and about in Ohio, land of corn?

**DESTINY:** [Laughs.] Well, we do a lot of cow-tipping where I am from.

**V-MAG:** Cow-tipping? What is that? I think someone might have explained this to me, but refresh my memory.

**DESTINY:** [Laughs.] Well, you go into a cow field at night and you run up on a cow and you push it and knock it over.

**V-MAG:** Why? Why would you knock it over? And don't they get mad?

**DESTINY:** [Laughs.] Well, they sleep standing up, so you can just tip them right over and over they go.

**V-MAG:** Wow. So you tip cows. Wait, aren't cows pretty badass? I mean, don't they wake up and, like, come after you? Do they get hurt? Do you ruin their, um, milk-making abilities?

**DESTINY:** [Laughs.] Well, you run up to them and shove them and they fall over and then you run like crazy. But they don't get hurt. They just get a bit spooked is all. A lot of times they don't even fall over. They just sorta rock back and forth and wake right up.

**V-MAG:** Poor cows. Don't tip cows.

**DESTINY:** Okay, okay. No more cow-tipping for me. I promise.

**V-MAG:** Now, we heard that you said you are a chubby-chaser, Destiny.

Continued from page 65

What does that mean?

**DESTINY:** I like to go after chubby and fat guys. [Laughs.] I like to chase chubbies. It's what I am into.

**V-MAG:** Why do you prefer bigger men, Destiny? Do they have bigger cocks? Are you into bigger cocks?

**DESTINY:** Actually, I just like that there is more to hold on to. Bigger guys are just, well, bigger. I like that. They are cuddly and they are cute.

**V-MAG:** Now how big is big?

**DESTINY:** Well, I like it when a man has a big belly. I like to rub it and call him Buddha. I think it's hot.

**V-MAG:** And skinny guys and average guys don't turn you on at all?

**DESTINY:** Well, I am not exactly a skinny girl, myself. And I want to be with a man who I can ride and be all over and I won't hurt him.

**V-MAG:** Okay, so when you are with a guy, are you more the aggressive type?

**DESTINY:** Yes, I am. That is why I like them bigger, so that I don't hurt them because I like to be wild.

**V-MAG:** And do you have any stories where maybe you fucked a skinny guy and really hurt him?

**DESTINY:** No, actually, I just date big, fat men. It's what does it for me.

**V-MAG:** And when you are out and about, picking up, or rather, chasing all these chubby guys around Ohio, what are you wearing, Destiny? How does one dress, or wear, when they are out chubby chasing?

**DESTINY:** [Laughs.] I like to dress to call attention to my breasts. Like I said, I like cleavage, so normally I wear things that accentuate that.

**V-MAG:** And do guys hit on you?

**DESTINY:** Oh, yeah. All the time

**V-MAG:** Tell us a funny story about a guy hitting on you.

**DESTINY:** Well, like I said, I am usually the aggressor, so I usually hit on the guys, not the other way around.

**V-MAG:** Okay, so tell us how you score your chubbies, Destiny.

**DESTINY:** [Laughs.] Well, this one time, I was at a gas station and I had just gotten out of my car when the gas station attendant came out and pointed to a Slippery When Wet sign and told me to be careful. Well, I thought he was hot so I told him that I was slippery when wet. He laughed and told me to be careful anyways because I might

slip. And I told him that I might just slip on purpose so he could catch me. Well, I pumped my gas and then I went inside with my number written on a piece of paper and I told him that I'd found it on the ground outside and that I thought he might want to have it. He laughed so hard, but he called me! I guess you could say that I like to tease men. I'm a big flirt.

**V-MAG:** Of course he called you! He probably saw your amazing boobs and thought that he might have been dreaming. But boy did you kill him with corny pick-up lines!

**DESTINY:** Hey! They work in Ohio! [Laughs.] Guys in Ohio dig them.

**V-MAG:** Destiny, if I was a guy and you were giving me your number, you could probably sing me the *Star-Spangled Banner* and I would be so amped that you were hitting on me, that I would clap and cheer. [Laughs.]

**DESTINY:** Yeah, no guy has ever turned me down when I hit on him before.

**V-MAG:** So, Ms. Aggressive, what is the wildest and kinkiest thing you have ever done with a guy?

**DESTINY:** Well, I once had a threesome in the woods. That's kinky, right?

**V-MAG:** How? Where? When?

**DESTINY:** Well, it actually happened in the woods behind my church...

**V-MAG:** Okay, wait. You said that there was nothing going on in Ohio, but you lied! Destiny...there are people fucking in the woods in Ohio! I don't think there are people fucking in the woods here in Miami. At all.

**DESTINY:** [Laughs.] Hey! I said we liked the outdoors! We like it so much we fuck outdoors.

**V-MAG:** I think we need to go to Ohio. Anyway, go on. You are outdoors...

**DESTINY:** Yes and we were behind my church and it was snowing. There was snow on the ground.

**V-MAG:** Oh, this story is going to be really good. We Miami folk would have been miserable in that weather, freezing and cursing the cold. Yet, you Ohio folk are like, 'Hey, it's snowing! Let's get naked and fuck!'

**DESTINY:** [Laughs.] Yeah. I think that the cold makes us horny! So we were at church. It was me and two other girls. We decided to skip out on church and go for a walk in the woods. We ended up on these boulders and at first we were just playing around with the snow. Then we started flashing

each other. Then we started rubbing snow on our nipples. Then they got too cold, so we started sucking on each other's nipples to warm them up. Before long, we were naked on these rocks and fingering each other and eating each other out. It was so fucking good. But I did feel like I got frostbite on my ass though! [Laughs.]

**V-MAG:** So do you like busty girls?

**DESTINY:** Yes, I really like women and I prefer them to have big tits. I like women with a C-cup or bigger.

**V-MAG:** And are you the aggressor with women also?

**DESTINY:** Oh, yeah! There is this one girl that I dance with at the club. She is busty and exotic looking and I love her. I swear that on any given night, when I am not working, I will go into the club and I will give her half of my money just on getting lap dances alone! [Laughs.] That's the power of big boobies for you! I can't resist.

**V-MAG:** Do you ever bring girls home with you from the club?

**DESTINY:** Not really. I prefer men more.

**V-MAG:** And when you are with a man, what gets you off the best?

**DESTINY:** Actually, I like to have sex on my couch. I know it sounds weird, but I like to tell a guy to sit down and then I like to sit down on his lap, kind of in reverse-cowgirl, and bounce up and down on his dick really fast.

**V-MAG:** Do you use your tits during sex, too? Are your nipples sensitive?

**DESTINY:** Oh, yeah. I think tit-fucking is hot. And yes, they are very sensitive.

**V-MAG:** Do you like to have them sucked when you are fucking?

**DESTINY:** Yeah, I will suck them or let a guy suck them while I ride.

**V-MAG:** What else do you like to do with your big tits?

**DESTINY:** I love to smack people in the face with them during dances and sex.

**V-MAG:** So you are a cow-tipper, have sex in the snow and you like to whack people around with your tits? Destiny, we might just have fallen in love with you. You might be the perfect woman!

**DESTINY:** [Laughs.] Thank you!

**V-MAG:** On that note, we're out of time, Destiny. But we think that you should come back as soon as possible!

**DESTINY:** I will if your readers like me and want me to. I'd love to come back.

**V-MAG:** Oh, they're gonna love you!

## V-MAIL

Continued from page 18

Dear *Voluptuous*,

There was this one shot in the Nov. '09 issue of *Voluptuous* that I loved! It was of Scarlett Rogue, upside down, with her tits in her face. I love having a big-boobed woman in pile driver because I am fascinated by the underside of women's tits. I think the flesh there is so tender and soft. Maybe it's just me, but I wouldn't mind if you published more photos like this in the future. I would appreciate it!—A.Q., Nashua, New Hampshire

Dear Gentlemen: You can catch Scarlett in the Holiday '09 issue where she is the cover girl and there is a preview of her first hardcore DVD *Sex In The Titties*. Not only does this cutie do XXX, but the scene is also a threesome with fellow teen titter, Selena Castro. She also does a raunchy six-girl orgy with newcomer sensations Renee Ross, Camelia Davis and Hillary Hooterz. It's a must-see and a must-jack-to! You can grab your copy of the Holiday '09 issue on page 10 and you can score your copy of *Sex In The Titties* on page 9.

## SOME READERS' SUGGESTIONS, AND OBSERVATIONS

Dear *Voluptuous*,

Is it possible to do a photo shoot with Ashley Sage Ellison posing with a small, skinny girl with small breasts? Something a bit like Chloe and Rebecca some years ago, but have the girls not only comparing their tits, but also playing and wrestling with each other? I would love to see Ashley in a dominant position, taking charge of the smaller girl and having her way with her. This is just a suggestion that I hope you use. Thanks!—J.E., via the Internet

Dear *Voluptuous*,

The other day I was walking down the street with my girlfriend when I dropped my wallet. I bent down to pick it up and my girlfriend continued walking. (She hadn't noticed I dropped anything). I then fell in step behind her to catch up to her and for the first time I noticed you could actually see her tits from directly behind her. (I'm sure the tight sweater she was wearing certainly helped) and I was immediately turned on. We were on our way to her apart-

ment anyway and I was easily able to seduce her into bed. I started to fuck her doggie-style and I made sure her chest and stomach were pinned against the bed. I then reached down and pulled each of her tits out to the side so I could watch them wobble while I drilled her. It was some of the best sex I ever had. She was pretty happy, too.

For those of you who have a big-titted girlfriend or wife, I suggest that you try to see if you can see her tits from behind and if you can, consider yourself very lucky.—T.N., via the Internet

Dear *Voluptuous*,

The Oct. '09 issue was great reading for several reasons. Mianna Thomas looked extremely hot in her XXX photo set. She is really unique, just like Sammie Black or Deja, and I'm sure she'll be one of your classic, legendary models. I'm already looking forward to Mianna's photo sets with dreadlocks and wearing sports shorts.

Renee Ross is a stunning new BBW with a charming smile, great eyes, luscious, sexily veiny hanging hooters and a fabulous butt. Clearer full-length views of Renee would be much appreciated. Lastly, Natalie Fiore looked really fresh with her fine, slightly matured face and bigger boobs.

But seeing Renee Ross and Samantha 38G in their new layouts in *V-Mag* and *XL Girls* gave me a new idea. That's really why I'm writing this letter. I'd like to see a *Voluptuous* Generations double issue, centered around side-by-side comparison shoots of models born a generation apart or so. If it's done right it could be very flattering for all models. It might be expensive, though.

Some team-up ideas would be: Toni Evans (or Samantha Sanders) and Ashley Sage Ellison; Deja and Mianna Thomas; Lola Lane and Janet Jade; Samantha 38G and Renee Ross; Jeannie Pepper and Aileen Ghetman. I tried to match up skin color, boob size, UK and US models, etc., but I am sure that you can probably take the concept further.

A more conventional idea would be to return to Eleuthera, now with only African-American models. Seeing half a dozen mocha-skinned babes parading nude, or in white or red bikinis and bathing suits, on white beaches would surely be a big hit: Janet Jade, Mianna Thomas, Farrah Vancok, Carmen Hayes, Sierra for example. Something to think about.—S.A., via the Internet

date can't act like a slut sometimes, and a part of me just gets off on the fact that these girls are doing these things for our jacking pleasure, and the more they do—the more out-there their language and outfits—the better.

Okay. I admit it. I like sluts.

### What girls think when they get dressed in the morning

Do you wanna know what else I like? What else gets me off? The idea of what goes through a busty babe's head when she wakes up in the morning.

Let me see if I can explain this without sounding like the sick fuck that I am. I like when a girl wears a tight, cleavage-revealing top. I like when she obviously took some time to pick out the right bra and put it on. I like that she wants to take care of her tits. Yeah, I know, you like it, too. We all do. But I like the *idea* that at some point, the girl looked in the mirror and thought, "This would look good on my tits," or "I need to take care of my tits and so I'm going to buy this bra." I like that she made the conscious decision to button one button instead of two or three, that she actually thought it through and decided to show off her big, luscious rack.

Now, not every girl has that look. Some girls look like they threw something on and it just happens to show off their tits. But with some girls, you can just tell that they think about everything they wear, and that their tits were part of that decision.

Am I making myself clear here? I don't think so. This might be one of those things that my cock understands but my mind can't put into words.

But you know how you know that a girl cares about displaying her tits properly and thinks about it? She always wears the right bra.

You see, gentlemen, there are a lot of bras and shirts out there, and some of them will cover every centimeter of tit-flesh a girl has. But she chose *that* bra and *that* shirt, the one that's getting your attention right now.

Because she cares about her tits. And you have to love a girl like that.

# Hillary Hooterz

Hillary Hooterz made her debut in the Dec. '09 issue of V-mag in a solo pictorial that showed off her curvy figure and sweet face. Who were we to stop her?

She took one look at this tattooed porn stud and she whispered, "That's the one I want to fuck," and licked her lips. We made it happen for her as soon as possible. And she wasn't even nervous! "I was too excited and horny to be shy or nervous. I was turned on beyond belief. I told him to fill me up with his cock."

And she took a pounding! "I kept telling him to fuck me harder because I was cumming over and over. It was a combination of being watched and also knowing that men everywhere were going to watch the scene and jerk off to my tits and pussy."
